

### **Attendance Allowance**

13.23 Attendance allowance was raised in the consultation. The Panel acknowledges that in some cases this might be a valuable addition to support the work of a council. It is therefore included as an option for all councils. A number of queries were raised in respect of this proposal in responses to the Draft Report, including some opposition to its introduction. Whilst it is included in the framework, it is optional for councils and therefore those councils that do not consider it appropriate do not have to implement it. Councils can decide and set out the provisions of the scheme, paragraph 13.24 details what should be included.

**Determination 49: Each council can decide to introduce an attendance allowance for members. The amount of each payment must not exceed £30.**

**A member in receipt of financial loss compensation will not be entitled to claim attendance allowance for the same event.**

- 13.24 (a) As the payment for attendance is optional, the council, at its first Annual Meeting, should formally decide whether or not to make these payments.
- (b) If the council decides in favour of attendance allowances, it must produce a scheme for formal adoption and make provision for it to be publically available.
- (c) The mandatory maximum for each qualifying event is £30. There is no stipulated minimum.
- (d) Payments for attendance must be in respect of official business or approved duty which are identified in the council's Standing Orders or alternatively by specific resolution. The scheme should specify for which events payments will be made.
- (e) All members of the council will be entitled to the payment for attendance at the events specified in the scheme, but an individual member may decline to receive payment by informing (in writing) the proper officer.
