The Clerk (RFO) had prepared detailed estimates of receipts and payments including the use of reserves and sources of funding for the following financial year in the form of a budget.

Expenditure in recent years has been affected by Covid-19. Members had already identified potential projects to ensure that budgets were more fully spent next year. Additional finance could be set aside within Earmarked Reserves to fund new projects.

Members noted that the Council's Finance Committee had discussed budgets on 3 November 2022.

Issues raised by Members included:

- the potential for additional long term environmental projects in areas such as Windsor Gardens and Pentwyn Park, including play equipment.
- the potential to plant additional trees at Pentwyn Park

-It was **Recommended** that

(1) the draft budget, as amended by the observations of the Finance Committee is approved, with the following amendments:

A5	Long Term Projects	increase by £5,000
A8	Windsor Gardens (new code)	£5,000
