- (i) Ash trees in Dan-y-Bryn Woods: It has been brought to R&MCC's attention that a number of Ash trees bordering a resident's property may be diseased. Significant reduction of foliage and increased dead twigs has been noticed. Environment Committee agreed to wait until the trees are in leaf and review in April/May.
- (ii) Oak tree in Radyr Woods/Woodfield Avenue: A resident in Woodfield Avenue has asked if the Oak tree that overhangs their garden could be assessed. Cllr Ralph Vaughan visited the resident to look at the Oak tree. Environment Committee agreed to wait until the tree was in leaf and review in April/May. The next tree survey is due in 2022.
- 50 Station Road Hanging Baskets:** Environment Committee agreed to ask DB Site Solutions if they could check the brackets and water system for safety and also liquid feed the baskets when carrying out grass cutting in Windsor Gardens. It was also agreed the Clerk will write to Cardiff Council to inform them that R&MCC would take over responsibility for the baskets and also write to Dwr Cymru to take over the water contract.
- 51 Pentwyn Park – holes on grassed area:** A deep hole has appeared in the grassed area near to the Caer Graig entrance which may have been caused by a tree stump rotting away and leaving a cavity. There is a possibility there may be other cavities forming. DB site Solutions have filled in the hole to make it safe and it was agreed to ask Dave Barnes to monitor this when grass cutting.

- 52 Proposal for Radyr Woods Information Boards:** All 4 boards need replacing due to some degree of vandalism. The boards should be replaced at the same time and be of a uniform fashion. The cost of the boards could be in the region of £2,000 per board. No decision was made on the design or content of the boards and it was agreed that Cllr Helen Lloyd Jones would send the Clerk contact details of the RCT design team so the Clerk could request a quote for their costs.
- 53 Proposal for Memory Wall in Windsor Gardens:** An email was received from a resident proposing the placing of a Memorial Wall in Windsor Gardens for plaques recognising contributions to the R&M Community. Environment Committee considered this proposal but it was agreed not to progress with it at this time.
- 54 Pollution/litter in River Taff:** Cllr Huw Onllwyn Jones worked with NRA to tackle pollution along the River Taff 2 years ago. It appears that very little has changed in the 2 years since Cllr Huw Onllwyn Jones spoke with them. Environment Committee agreed that R&MCC would write to Mark Drakeford, Kevin Brennan and Natural Resources Wales about the River Taff pollution.
