Thank you!

On behalf of Radyr and Morganstown Community Council - and on behalf of the many residents who greatly value your work - I wanted to thank you and your staff for all that you are doing for us, during these difficult times.

We also appreciate the risks you are taking - and we hope that you and your staff are managing to stay as safe as possible during the COVID crisis.

The goods and services that you provide are so important to our community - and it has been wonderful to see all of you working to adapt your businesses, so that we can continue to enjoy the high-quality produce that you offer.

I know that many residents have been enjoying some delicious take away food - and have much appreciated the friendly and professional services you continue to provide,

And even the process of queueing has given us a new way of socialising!

All of you deserve every success in the future - and I know that you will continue to be supported by residents across Radyr and Morganstown.

In the meantime, please let us know if there is anything that we could do to help your business. in future.

Once again, thank you very much for all that you are doing.
