*30* October 2019

Thank you for your letter (20 October) in which you asked whether the Welsh Government might consider funding a resource to translate websites from English to Welsh free of charge.

Our priority is to go ahead and deliver the commitments outlined in our Welsh Language Technology Action Plan. This Plan in Work Packages 10 and 11 addresses the needs of professional translators to have better automatic translation resources and translation memories.

The outputs will be available under the most open possible licence. As a result, all kinds of doors will open for companies to be able to develop innovative services – such as the one you describe perhaps - for Welsh speakers.

Yours Sincerely,

**Eluned Morgan AC/AM**
